Organization Resource Changes

Delta of changes made to the standard FHIR DSTU2 Organization resource for use within the GP Connect APIs.

Field	Baseline	Change	Description
identifier	0..*	0..*	Unique identifier(s) assigned to the Organisation - uses ODS Organisation Code or ODS Site Code
part of	0..1 Reference(Organization)	0..1 Reference(Organization)	The organisation of which this organisation forms a part (for nested organisations) - uses 'gpconnect-organization-1' profile
